Sale of Real Estate and Personal Property

I shall sell at Public Auction at my residence in Barton on Saturday, October 5th, 1907, beginning at 1:00 p. m. sharp, rain or shine, the following described property, viz:—

My residence opposite Hotel Barton, which is conceded to be the most beautifully and accessibly located residence in Barton, for reasons which are generally known to the public. This beautiful home has but one fault, and doubtless would have been sold ere this had it not been so thoroughly kept up that positively no repairs could be made. Strange to say this fact seems to be a fault, as the average citizen is prone to repair, and his nature and inclination is to buy a house and at once begin repairing. To buy my place would be to seriously handicap his nature, therefore, I shall sell at Public Auction the most desirable home in the beautiful town of Barton. While the house is not the most modern in architecture, it is practically new, outside and in, from chimney to cellar bottom. It contains nine rooms, heated by a Boynton hot water system, electric lights, hardwood floors, metal ceilings, modern plumbing throughout, equipped with screens, storm windows, etc., fine, never failing spring water, also city water. A six-horse capacity stable with stable office equipped, large carriage house, large well kept grounds, beautiful maple shade trees, garden and an extra building lot. Will sell with or without this lot. Terms will be made to suit any responsible buyer. I will be pleased to answer any questions as to this property, and will discuss the terms with any prospective bidder. The highest bidder will get the place. Come to the sale and put in your bid. Don't stay away and then say: "I didn't believe Davis would sell it."

Barton is a thriving town; while it has no boom, it has no declines. Valuations are always increasing.

I will also sell a portion of Household Goods such as are not practical to ship across the continent, viz: 2 chamber sets complete, extra commodes and dressers, 1 oak center table, 1 oak hall tree, 1 oak book case, 1 lounge, 1 divan, 1 folding bed lounge, 3 spring beds, 1 three-quarter size cabinet folding bed, toilet sets, chairs, mattresses, stand clothes wringer, wash boiler and tubs, ice chest, and other things, some good and some not so good. 1 custom-made nearly new single driving harness, 1 pair light double driving harnesses, bridles, bells, halters, robes, blankets, carriage mats, etc., 1 Concord style open buggy, as good as new, 1 old sleigh, 1 one-horse traverse sled, also other straps, strings, pots and kettles, etc., as usual. Remember the date as given above. Sale will begin sharp on the hour. Terms, sums under \$10 cash; over \$10 approved paper accepted.
